

DESTINY BROWN

Receiving the William O. Lockridge Community Foundation Scholar is an accomplishment. Knowing I have extra money to pay for college means a lot to me. This scholarship would make paying for my books a lot easier when needed for class. I am very proud to say I have received this scholarship, along with other scholarships. I am honored to be getting this award for several reasons and I appreciate everyone that has helped me through getting this far in life.

This is just the beginning of having a great future. Being the first of my generation to attend college is a very big accomplishment and I will continue to motivate and support my younger siblings to do the same. I will be attending Savannah State University in the fall and am very excited to say I will be leaving to experience very different cultures, personalities and people. Thank you again for giving me this opportunity to receive this great scholarship
