“I want to start off by saying thank you for this amazing opportunity. This scholarship helps me become one step closing to achieving my dream of attending my first-choice college and my dream of becoming a forensic chemist. The William O. Lockridge Scholarship has given me the opportunity to make a change in my family and community. They have emphasized the amount of community service and academic success I've achieved and help me strive to continue to do these things. Without a college education many things wouldn't be possible, the William O. Lockridge Scholarship will helps me financially to achieve the type of education needed in order to achieve my long term goals. With the William O. Lockridge Scholarship, I plan to make the scholarship committee, my community and my family proud of my accomplishments. Thank you again for this wonderful opportunity.”
