

ELEXUS HASKINS

My name is Elexus Haskins and thanks to the William O. Lockridge Community Foundation I will be attending Tennessee State University this fall. This scholarship means a lot to me. If not for this scholarship I would not know what college I would be attending. I'm not sure that I would be attending college this fall if not for this scholarship. It means a lot to me to be able to attend the college I want go to without worrying how I'm going to pay for the next year.

This scholarship means a lot to be because it teaches not to settle for less. I can be what I want to be and achieve my goals in life. I know that there is someone looking out for me and believe in me. There some who want the best for me and can help me. This scholarship means a lot to me because it made me believe in myself a little more than before. My family is proud of who I am becoming. It means a lot to me that the William O. Lockridge Community Foundation believe in who I am and what I am going to achieve.
