

**MONET WARREN**

It is an extreme honor to accept the William O. Lockridge Tennessee State University Scholarship. Without this scholarship the opportunity of furthering my education at a University wouldn't be possible. This scholarship means everything to me. I would like to take the time out and thank the entire William O. Lockridge Community Foundation as a whole. This scholarship is definitely a blessing not only to me but my mother.

I am overwhelmingly excited to be graduating with my fellow class of 2016. I can honestly say that I have gained the privilege of watching myself grow and mature all of these years leading up to this point. This scholarship is the beautiful start to my life changing experience. I plan on receiving this opportunity and making the best out of it. I also plan on gaining more and more knowledge as I continue to further my education in college. Once Again, I would like to thank the William O. Lockridge Community Foundation for providing me the opportunity of receiving a Full-Ride Scholarship.
