

Dear William O Lockridge Community Foundation, I wanted to thank you for funding this scholarship and would like to express my sincere gratitude for you recognizing me and selecting me for the “Spread Your Wings” (\$2000) scholarship. I am so grateful to have help paying for my educational expenses. This scholarship means more to me than just obtaining money, it also means that I am viewed as having potential for the future of our society. I will continuously have individuals to thank for my accomplishments, and I greatly appreciate the generous financial support I have been given to pursue my education. I would like to again thank you for the generosity and support. Thanks to the William O. Lockridge Community Foundation, my goals are within reach.
