

Thank you to the William O. Lockridge Community Foundation for this achievement. I am very thankful for being able to receive this scholarship. This scholarship means that I will have more support and opportunities to fulfill my dreams. I will do my best to continue to be worthy of your trust and expectations for my academic career. I will use this money and support to "spread my wings" and succeed in my future endeavors.

I will use this scholarship to continue my studies at Bennett College for Women in Greensboro, North Carolina. On this campus I will be working hard to study education and creative writing. I will be able to focus on my assignments because I won't be distracted by money costs. I am very thankful for being one of the recipients for this scholarship. Thank you for this opportunity and scholarship because this has made me happy and feel that I have an even bigger support team, who will help me accomplish my goals.
