The Spread Your Wings Scholarship means the world to me because it shows that people outside of my family believe in my potential and are willing to invest in my future. Receiving this scholarship is a huge honor, especially knowing that I competed alongside thousands of students and was selected as one of the recipients. Although this scholarship will not cover my full tuition, it will greatly help with books, school supplies, and other educational expenses I may encounter. I am truly grateful for this opportunity and deeply honored to be a recipient of this scholarship.
