

The Spread Your Wings scholarship is important for me to start my studies and become the person I want to be while attending a 4-year college. This scholarship with help to take the tuition down so my family and I will have little to no debt. It was very important for me to get this scholarship to open opportunities for my school and my peers. The Spread Your Wings Scholarship is very appreciated and hasn't gone unnoticed. Thank you, William O. Lockridge Community Foundation, for giving me this scholarship.
