

It means the absolute world to me that I have received the “Spread Your Wings” scholarship provided by the William O. Lockridge Foundation. By receiving this amazing scholarship, it has contributed to the soon to come success of my filmmaking career. Besides that, I deeply appreciate the faith that the scholarship committee has for me. I want them to know that what I do in my life will be to create change as my films will be about African American stories.

My goal is to help move my people to liberation as much as possible and I know I am on my way to doing so thanks to being blessed with the “Spread Your Wings” scholarship.

Thank you, William O. Lockridge Community Foundation, for seeing passion and assisting to make my dreams come true!
