

Receiving these 2 scholarships means a lot to me. These scholarships show me that I am able to continue to push myself for my actions towards college. I will be able to also show the use of these scholarships as using them to the best of my ability to continue in school. I'm very honored to receive these scholarships because it will help out a lot as I go towards college tuition. As the student that I am , there are many struggles and being blessed with this allows me to continue to stay blessed as I move on with school. These scholarships will not go to waste, I am going to allow myself to still push on with scholarships as well. Also the names of the scholarships will allow me to understand that I am a rising star and that I can also spread my wings to more accomplishments for my life. So once again thank you.
