

I am so blessed and grateful for the “Spread Your Wings” scholarship. This scholarship is way more to me than the money but an amazing HELLO to a new chapter, school, and community! I appreciate that the WOLCF cares about students and what happens to them after they receive the scholarship. This scholarship money goes towards my social work degree. I am now able to make my grandma, mom, aunts and now the WOLCF proud with the work I'll be doing.
