

Receiving the “Spread Your Wings” scholarship means a lot to me. This opportunity will allow me to “spread my wings” as an incoming Freshman where I will be starting a new chapter at Xavier University of Louisiana. This scholarship is a one up to my future as a student where it won’t be a burden to feel stressed dealing with finances. I am grateful for this scholarship and plan to live up to it by achieving in college. I am truly honored and am filled with excitement.

Thank you so much, I truly appreciate this opportunity and will share how this scholarship helped me grow into the person I will be in college.
