

Receive the “Spread Your Wings” Scholarship means the world to me as a low-income student. For the past few months, I have been worrying about how I would pay for college and was afraid I would not receive any scholarship money. But receiving this \$3,000 award from the William O. Lockridge Community encourages me and helps me realize that they believe in me. I just want to thank the William O, Lockridge Community for giving me this opportunity and helping me achieve my career goals.
